It is time to start planning for eighth grade. Your child will need your help and input while registering for his/her Exploratory/Elective classes. Attached you will find two important color-coded documents for our 2017 – 2018 eighth graders.

1. **D303 Middle School Exploratory/Elective Course Descriptions (white)** – This document describes the exploratory/elective choices offered at each grade level and a brief description about each course.
2. **Exploratory/Elective Course Selection Form (blue)** – This document is where you will indicate the Exploratory/Elective choices for 2017-2018 school year. (If it is determined that your child needs additional academic support, this will be in place of one of the chosen Exploratory/Electives). Please be sure to sign and return this sheet to Student Services at Haines by Thursday, November 17<sup>th</sup>.

Please note that teacher staffing is determined by these course requests, therefore your selections are final.

Thank you for assisting your child with his/her choices. **Please return to Student Services at Haines by November 17<sup>th</sup>**. If you have any questions, please contact Mrs. Swanson their current counselor at 331-228-2985.
